

ADMINISTRATIVE POLICY

ALCONA COUNTY LIBRARY

GOALS

The Alcona County Library strives to:

- A. Provide trained staff to assist library patrons in the use of library and other informational resources.
- B. Provide non-fiction reading materials sufficient to provide a general introduction to most subjects of interest to library users.
- C. Provide programs designed to encourage reading and the use of the library.
- D. Provide recreational media materials -- videos, audio cassettes and other art forms – for all ages.
- E. Provide interlibrary loan services for materials not available locally.
- F. Provide meeting space for cultural, educational and informational gatherings.
